# VISION

To be recognized as the global leader in providing security and facility management solutions. To achieve the level where our customer knows the organization well and respects its position as a leader in its field. The Group has a clear corporate vision and a strong set of values which ensure that everyone is clear about the strategy of the organization and their role in its delivery.

To develop and implement solutions to Security/Facilities Management related problems for a select client base and to deliver our services with the highest degree of professionalism and integrity. We progress towards future with safe steps to create a model on service industry and be the first one for remembering on excellent service provider field.

## Our services

### UNARMED GUARDS

We offer unarmed security guards for different clients as per their requirements and needs with proper justification of utility factor. Unarmed security guard services are employed much more frequently than armed services. All Nation Security Guard Services provides unarmed guards for a wide range of situations within food stores & supermarkets, retail establishments, shopping malls, schools, college and university campuses and other locations where their very presence serves as a strong deterrent against criminal activities such as shoplifting.

Unarmed guards are also often used as escorts for wealthy women on shopping trips and as bodyguards for business executives and celebrities. Even though unarmed, a sizeable number of these guards are trained in physical defense techniques such as Karate and all are generally capable of providing protection because they are in excellent physical condition and very well trained.

### ARMED GUARDS

You can't hand out arms to anyone or everyone. Every security agency needs to get permission to recruit and deploy armed guards. We provide armed guards at different clients after proper vetting and justification of their nature of requirements.

### PERSONAL SECURITY OFFICERS

The one who even stakes his life to prevent yours can only be your Personal Security Guard or PSO in short. Here at allianze we trained men of highest interpersonal skills to be your Personal Security Guard. PSO will live for his or her master who hire him and is duty fully bound to prevent you and your personal property at any cost. He will be with you all the time like the nails stick to your finger. If any adverse arrives anytime then your PSO will deal against it first and will fight to prevent you from that.

We offer personal security officers of only army background who have a very good experience of to deliver best of what actually personal security matters.

When late night parties or parties in residential areas or lawns are arranged then it is mandatory to provide the needful protection so that no threats from outside the party or from internal facts can kill the enjoyment. A trend that is been followed from olden days and is been followed till today is that whenever any parties are organized then some people are arranged as volunteers to carry out the process and to get the effective names for bouncer services.

### EVENT SECURITY

We organize Promotional events for the Malls. Promotional activities and events in a Mall form an integral part of Mall Management. Activities like food festivals, handicraft exhibitions and celebrity visits increase foot traffic and in turn sales volumes. Organizing cultural events has time and again proved vital in attracting consumers to a Mall. Such activities may also act as a differentiator for a mall. We will draft marketing strategies for your mall to meet the needs of the local consumer base and the challenges of local, and in some cases, regional competitors. We make a calendar for the events so that the interest of the people is kept alive throughout the year.

We make sure that your Mall is converted to a happening place and this aspect will increase foot fall and revenue for the Occupants.

### CCTV CONTROL SYSTEM

Allianze group advise you on the best combination of equipments such as CCTV cameras, recording equipment and lighting to protect your business from theft, violence and vandalism.

We have a wide range of cameras: dome cameras, motorized 360 degrees cameras, night vision cameras, color or monochrome cameras, low or high resolution cameras, etc.

We install, monitor and maintain a large range of alarms in order to secure your premises and detect any intrusion movement sensors, vibration sensors, door protection systems can all be connected to cameras to have a visual, assess the situation and react appropriately, according to predefined instructions. Access control systems The access control systems are great preventive solutions against theft.

### UTILITY MANPOWER

Allianze group provide wide range of Utility Manpower like : Housekeeping, House Maids, Office boys, Gardeners, Personal Car Drivers, Massage Specialist, Beauticians etc.

We have a specialized team of expert professionals who takes time to make comprehensive understanding of clients business needs to deliver unparalleled quality resource and services.
